The *Memory* *Kit* *1959*

Marion High School

Marion, Illinois

Foreword

The era of space travel is about to begin. This stage of scientific achievement was preceded by many years of development. We, in our years in high school, also develop. Our hidden talents are discovered, our interests are stimulated, and our ambitions are encouraged. In four years we change from curious children to young adults.

Contained in this Memory Kit is the story of our school and of our development. This is the story of Classes, Activities, and the people who produce and carefully guide our growth to maturity.

At first, we, as freshmen, look up at the seniors and wonder whether we will ever be able to reach the sky.

Dear Mrs. Whitacre,

You are one of my favorite teachers during my three years at high school. Activities planned with your help are more fun than any others. You add fun and light to any group that you are in.

*Best wishes,
Sue Grisham*

Many a student who has graduated from Marion High, whether studying in college or working in industry, has found that he owes much to one person.

The abilities to think clearly and to face responsibilities are important to us in whatever we pursue. Mrs. Ash has fostered these abilities and brought them to a high level. She has taught us almost everything in English, from grammar to understanding and appreciating fine literature.

Though she teaches five classes a day and spends many hours at night correcting papers, she finds time to advise the staff of the "Memory Kit." Our yearbook has maintained a consistently high rating for the past fourteen years under her guidance.

IN GRATEFUL ACKNOWLEDGMENT OF HER EFFORTS IN OUR BEHALF,
WE DEDICATE THE "1959 MEMORY KIT" TO MRS. JANET ASH.

Aided by the faculty, administration, parents, students, and other interested friends, "The '59 Memory Kit" has told the story of four years of high school.

In our freshman year we are unguided missiles, not knowing which way to go. As our schooling progresses, we obtain guidance from our teachers and counselors. By the time we enter our senior year, we realize we stand on the threshold of life, and we are now able to play an important part in it.

The sky has been reached. Now the sky challenges us . . .

14 YEARS

Yes, this 1959 issue of the MEMORY KIT marks the 14th year that we have been your photographers.

An outstanding annual is the result of three-way effort and co-operation between the Annual Staff, your publisher, and your photographer.

For every one of the past fourteen years, we have been alert to new ideas and techniques in the photographic industry, and it is no stroke of luck that the MEMORY KIT has been cited many times for highest quality in design, unique ideas, and excellence in photography.

We are extremely proud of our part in the production of the 1959 MEMORY KIT. Our congratulations to your Staff, your sponsor, and publisher, for another outstanding annual

Dear Mrs. Whitacre,

I have really enjoyed knowing you both as a teacher and friend, and I'll never forget all of the fun we have had in the different activities.

I know that neither of us will forget the Prom and the Convention at Springfield.

Our sixth hour and you are what I know I'll miss most next year. Thanks for all the instruction and guidance you have given me. Loads of luck to a "wonderful" F. B. R. A. Spomer.

Love,
Eunice Ann

Dear Mrs. Whitacre:

I sure have enjoyed typing class this year. We really had some good times. I'll never forget the convention at Springfield!

I'll be looking forward to more fun next year in I.B.L.A. I think I have to thank you partly for my getting President.

I feel honored getting to write in your Annual, but I just don't know what to say. I can truly say that I enjoyed knowing you as a teacher and a friend.

I want to wish you the best of luck & happiness possible.

To my favorite teacher & a very wonderful person.

Love,

Diana Bloodworth

P.S. I hope we have as much fun at the Convention next year as we had this year.

Hello, "old witch"

I sure could write a book on how much I think of you, not only as a teacher but also as a silly old witch!

This has been a wonderful year for me, and you and F.B. & J.A. have helped make it so. I'll never forget our two trips to Springfield - and our little trip while we were there - remember? Kimmel & her Baptist Hour and you and your family! Whata party. And, of course, the time we took up your room.

Best of Luck to my Favorite Teacher! I'm surely deserving it.

Love Ya,

Judy
Bair

I've enjoyed law class, too. I kinda hate to leave you all.

See you at my wedding - would you do your dance with it? (ha)
